Having been deputed for Palace
medical work Mr. Rangappa
is entitled to a local allowance
under G.O. 17-506 and the
only question is what the amount
of the allowance should be. The
Sd. Order does not ^{fix} mention the rate
of allowance admissible to a Civil
Surgeon.

rent, it is not stated if this easement
is attached to the appointment now
held by Mr. Nanjappa. The fact
that as Civil Surgeon of Mysore he
was getting a house rent of Rs. 40
does not support his claim that
he should continue to enjoy the
same easement when holding
a different appointment. The
administrative branch has
not expressed any opinion on
the request of Mr. Nanjappa for
a house rent while employed
as Palace medical officer nor
has it stated what classes of
medical officers or holders of
what particular appointments
in the Dept are under standing
orders if any, entitled to house
rent.

When a Civil Surgeon replaces
an Amb Surgeon he need not necessarily
be allowed the local allowance & conveyance
allowance given to the latter. It is necessary
to see whether the Civil Surgeon has more
arduous duties than his brother Civil Surgeons.

I think a Civil Surgeon in the District
has always to keep a trap without being
allowed any conveyance allowance priv.
And Dr Nanjappa's charge also cannot
be said to be heavy in comparison with
that of other Civil Surgeons, & prima-
facie there is no case for extra allowance.

If this gentleman is however in
charge of the in-works of the Palace, &
it is considered that there is ^{therefore} some special
responsibility attaching to the appointment
on account of such charge, he may be
granted a suitable allowance. But ~~that~~
on the whole, unless there are special reasons
for selecting this officer, it would be better to
post an Amb Surgeon to the charge & save
cost. But this is an administrative matter for his
consideration.

So far as the nature of the work is concerned, it seems to me that the considerations of arduousness of work, ~~long~~ uncertain hours, frequent travelling want of opportunities for private practice & which ^{justified} ~~lead to~~ the grant of local allowances to the Asst & sub-assst Surgeons attached to the palace, apply with equal ~~as~~ force to the case of Dr Nanjappa. He seems therefore entitled to a local allowance just as the other officers attached to the Palace. In the absence of a Durbar Physician greater responsibility does not doubt rest upon the Senior medical officer on duty in the Palace.

As to the allowances to be granted ~~to him~~ it is ^{perhaps} better to grant one consolidated special local allowance than a number of different ~~small~~ allowances of small amounts. In the case of Mr Hanuman Singh the carriage & personal allowances were given to him long before the Spl. local allowance to all officers was sanctioned & they were continued in his case ~~as it would not have been~~ on that account

The other officers attached to the palace ~~for~~ only get a local allce of 100 + 75 Rs according as they are Asst or Sub Asst Surgeons respectively & do not get any house rent or free quarters or separate carriage allce. Similarly in the case of Dr Nanyappa who is a civil Surgeon ^{I would suggest that} a local allce of 150 Rs may ~~be~~ be fixed, no carriage allce or house rent being separately sanctioned.

As regard the last sentence of the final serj's note of 27th inst, Dr Nanyappa appears to have been selected for duty in the palace for special reasons & I am not sure that it will be possible to post an Asst Surgeon in his stead & revert him to general duty in the State.

*Extract from the Proceedings of the 184th Meeting
of the Council of His Highness the Maharaja,
held at Bangalore on the 8th November 1907.*

III. Subject.-(Clause of the Schedule).

Recommendation from the Senior Surgeon for the
grant of a special allowance and house rent to Mr. T. S.
Nanjappa, Civil Surgeon attached to the Palace.

O P I N I O N.

The Council is of opinion that a consolidated
local allowance of 125 Rs per mensem may be granted to Mr.
Nanjappa. The amount is available in the budget out of the
provision made for Mr. Hanuman Singh's allowances.

Sd/- V. P. Madhava Rao.
Dewan of Mysore.

" E x t r a c t "

S. Balasubramanyam
Offg. Secretary to Government.

Submitted to His Highness.

Mr. T.S. Nanjappa, Civil Surgeon in charge of the Palace Dispensary at Mysore, requests that, as in the case of the Assistant and Sub Assistant Surgeons doing duty in the Palace, he may also be granted a special allowance of Rs.200 per mensem, besides a house rent allowance of Rs.40 per mensem.

2 The Senior Surgeon recommends the grant of the allowances prayed for.

S 3 Mr. S. Ranganna and Mr. N. Rangachar are in receipt of a special allowance of Rs.100 and Rs.75 per mensem respectively, while Mr. C.G.Hanuman Singh to whose place Mr. T.S. Nanjappa has succeeded, was drawing a local allowance of Rs.100, a conveyance allowance of Rs25 and a personal allowance of Rs.30. No house rent was allowed to any of these officers.

X 4 The Financial Secretary considers that prima facie no case has been made out for additional allowances, but states that, if Mr. Nanjappa is "in charge of the inmates of the Palace and doing part of the duties of the Durbar Physician and it is

"considered that there is therefore some special res-
"ponsibility attaching to the appointment on account
"of such charge, he may be granted a suitable allow-
"ance."

5 The General Secretary states that as far as
the nature of the work is concerned, the considerations
which justified the grant of a local allowance to the
Assistant and Sub Assistant Surgeons attached to the
Palace apply with equal force to the case of Mr. Nan-
jappa, and that in the absence of the Durbar Physician
greater responsibility rests on the senior Medical
officer on duty in the Palace.

6 The matter was considered in Council. The
Council are of opinion that a consolidated local al-
lowance of Rs. 125 per mensem may be granted to Mr.
Nanjappa. This may be sanctioned with effect from
the date on which Mr. Nanjappa reported himself for
duty in the Palace.
